Senior Product Designer with 9 years building SaaS and fintech products. Led product design at IREV for 5 years — 150+ component design system, CRM UX across 3 products, team of designers. Experienced in end-to-end delivery from discovery to developer handoff.

EXPERIENCE

Senior Product Designer — 01.tech

Jun 2025 – May 2026

- Designed features end-to-end — discovery, user flows, Figma specs, and developer handoff
- Contributed to and maintained the internal design system across 3 product surfaces
- Partnered with PMs and engineers in sprint cycles; led design reviews and established documentation standards

Senior Product Designer — Proscom

Jan 2025 – Jul 2025

- Designed product features for an education platform end-to-end — discovery, user flows, Figma specs, and developer handoff
- Designed interfaces for an investment product — onboarding, dashboards, and key user flows

Lead Product Designer — IREV

Oct 2019 – Jun 2024

- Built a 150+ component design system across 3 CRM products — accelerated design-to-dev handoff and eliminated UI inconsistencies across product lines
- Researched user behavior across core CRM workflows, surfacing friction points and driving measurable improvements in task completion
- Led a team of 5 designers — introduced agile design rituals that raised delivery consistency and team alignment
- Ran design communication with stakeholders — strategy reviews, design critiques, and cross-functional documentation

UX/UI Designer, Product Designer — qmobi

Aug 2017 – Apr 2018

- Designed a Facebook ad creative management tool end-to-end — user flows, component structure, and shipped production UI

UX/UI Designer — QIWI Ltd

Feb 2017 – Apr 2017

UI Designer — Optionlift

Aug 2016 – Apr 2017

Graphic & UX Designer — Goodwork, inogroup

2011 – 2015
