

Product designer with 9 years of experience crafting SaaS products, CRM systems, and admin interfaces across fintech, edtech, and affiliate marketing.

EXPERIENCE

Senior Product Designer — 01.tech Jun 2025 — May 2026

- Designed product features end-to-end — from discovery and user flows to Figma specs and developer handoff
- Contributed to and maintained the internal design system, ensuring consistency across 3 product surfaces
- Led a team of 5 designers, introduced agile design rituals that improved delivery cadence and team alignment
- Conducted design reviews and established documentation standards to streamline cross-team collaboration

Senior Product Designer — Proscom Jan 2025 — Jul 2025

- Designed product features for an education platform end-to-end — discovery, user flows, Figma specs, and developer handoff
- Designed interfaces for an investment product — onboarding, dashboards, and key user flows

Lead Product Designer — IREV Oct 2019 — Jun 2024

- Built a unified design system of 150+ components across 3 internal CRM products, reducing design-to-dev handoff time
- Analyzed user behavior and identified key friction points, driving measurable improvements in task completion across core workflows
- Led a team of 5 designers, introduced agile design rituals that improved delivery cadence and team alignment
- Partnered with engineering to establish a token-based component library, cutting UI inconsistencies across product lines
- Owned design communication with stakeholders — presented design strategy, ran design reviews, maintained documentation

UX/UI Designer, Product Designer — qmobi Aug 2017 — Apr 2018

Development of CMS product concepts and company product interfaces.

UX/UI Designer — QIWI Ltd Feb 2017 — Apr 2017

UI Designer — Optionlift Aug 2016 — Apr 2017

UX/UI Designer — Goodwork · inogroup Nov 2011 — Apr 2015

SIDE PROJECTS

Product Designer & Co-founder — Questtick questtick.com

- Designed and built a trading journal app for active traders — full product cycle from concept to launch
- Key features: alerts, watchlist and notes, trade journal
